Manufacturer Provided Description

The 39ST custom options are available to make your fishing boat your own. Built to order. Design your outriggers, rod holder placement, tackle, and fish storage, and other options for maximum fishability for whatever your target species may be. Powered by triple Yamaha 350hp engines, the Contender 39ST is a rocket ship on water. With a standard 500-gallon fuel tank capacity, you're boundaries won't be limited by range.
