The instant you approach this sleek and sexy yacht the temptation to jump aboard for an exhilarating getaway is certain.

Once aboard, you are greeted by a spacious aft deck area with a large dining table surrounded by eight teak and rich blue canvas chairs, on a teak deck. Ample room exists for guests to be elegantly dining in the open fresh air while dockside maneuvers are occurring to start the voyage towards your next exotic destination.

The enormous picture window and sliding glass door on the stern, reveals her modern sleek and sexy interior. Bright White, Rich Navy Blue and Sparkling Silver accents present a fresh new sophisticated style throughout that is sure to impress.

You are welcomed into a bright sunlit salon with large window views, new 2024 rich wall-to-wall carpeting which simulates the depths of ocean in blue. The impressively soft and supple new 2024 white leather built-in sofas serve up a sleek, modern, and elegant interior, surrounded by glossy rich honey wood walls and trim, and the fresh new 2024 white overheads, new 2024 white upholstered wall panels, and new 2024 shimmering white window treatments, all create a fresh bright dramatic contrast style which continues throughout the vessel.

The salon features a large flat screen TV, which ascends from the wood cabinet at the push of a button. There is ample storage underneath the built-in white leather sofas.

Heading forward and to starboard you come to the interior dining table in glossy honey wood, surrounded by six lovely upholstered and wood chairs. New custom window treatments in sparkling white reveal a large picture window for excellent water views as you dine. Opposite this, to port, is the well-equipped galley, also with a large window water view, accessible via countertop pass-through which is also able to be closed off for privacy. High end Miele appliances and SubZero refrigeration, flush front glossy wood cabinetry providing ample storage and rich dark granite countertops indulges your chef to comfortably perform their delicious magic undisturbed by guest movement throughout the vessel.

The hidden pocket door to the galley, next to a small ice maker allows access or privacy and a large watertight door on portside leads to the exterior deck for access to those guest areas on the bow or the stern.

Proceeding forward from this area, and as the center of the vessel, you find the large well-equipped helm which is comfortably furnished by luxurious and large exotic blue leather seating with matching blue leather grand dash area, ample space for the numerous gauges and screens, storage, and map countertop providing an enjoyable, yet safe navigational experience, viewable by the owner and interested guests.

A large watertight door on the starboard side leads to the exterior deck and other guest exterior areas.

Proceeding forward from the helm, you find a short staircase with stainless steel and blue leather handrail, leading you down to the staterooms on the lower level.

Once you descend the stairs, to starboard you find the day head with a circular shower, polished marble countertop sink, head, and porthole water view with privacy window treatment option. This head is accessible via an additional door to the starboard side twin guest stateroom.

The lovely starboard side twin guest state room sleeps 2 with a night table between the beds, storage drawers underneath, ample hanging closet, porthole water view, new custom window treatment, and a small flat screen TV.

Opposite and across the hallway to port side, is a lovely mirror-image, twin state room with night table, ample storage, hanging closet, porthole water view, new custom window treatment, and has a dedicated en-suite head with circular shower, polished marble countertop sink and porthole water view with privacy window treatment option.

All the way forward is the bright sunlit and luxurious VIP Queen stateroom. This room is glorious with its glossy honey wood cabinetry, ample storage, flanking windows allowing natural light, gorgeous window treatments, and lengthy countertops on either side. There is a cedar walk in closet to starboard with natural light from its own window. Natural light also flows into this stateroom from a large hatch over the bed. There is an en-suite head which includes a circular shower, and polished marble countertop sink with natural light from a window which has the window treatment for optional privacy.

Aft of these staterooms is the sophisticated and enticing King Master Stateroom. As you enter, you are immediately welcomed with water views, on either side from the large windows and portholes flanking port and to starboard, gorgeous, glossy honey wood walls, cabinetry, and finishes. There is an elegant walk-in closet with ample storage drawers and cabinets in the glorious honey wood finish, large mirror, and natural light from its own window.

Inside the master stateroom there is ample storage with numerous cabinets, drawers, under the bed and under an elegant new white leather settee. There is a lovely vanity to port with its custom upholstered chair in deep posh blue.

The inviting island centered king size bed with night table on either side is graced by overhead lighting and on either side modern sconces for additional lighting.

Natural light streams into the master state room from either side, large windows, and port poles, with luxurious custom window treatments for privacy, and light filtering option. Large flat screen and audio/visual entertainment section of cabinet at the foot of the bed signals your surround sound speakers for an immersive sensory experience.

Its en-suite head features his & hers polished onyx stone countertop sinks, large mirror cabinets, head, marble with onyx inlay design floor, and large walk-in multiple spa heads shower. Natural light streams in from its window with window treatment for privacy option.

Venturing to the exterior, onto the bow you find a new large sun pad with exceptional space for entertaining numerous guests to a wonderful sunset and cocktails cruise.

The exterior passageways on either side of the vessel are spacious and lead you to the open air aft dining area. There are push button toggles neatly stored in a cabinet which allow effortless access to descend the stairs to the swim platform and engine room, and the giant pods on either side where you may be storing your jet skis and or dive equipment.

The engine room is also accessible from an interior stairway located at the end of the galley area.

This interior stairway also leads to a spacious additional guest/crew suite, which has natural lighting from the portholes. This area includes a kitchenette with black granite countertop and stainless-steel sink, cabinet storage, a small dining table with cushioned bench seating, large washer and large dryer, small freezer, 1 additional pullman bunk for sleeping, a separate head with circular shower, head and sink, and a separate twin over twin bunks stateroom with their respective night table spaces, hanging closet, and porthole for natural lighting.

Ascending the stairs from the aft dining area, you reach the exceptionally spacious flybridge area where you can comfortably entertain and seat 12 guests and host a fabulous brunch laid out on the very large dining table. The impressive jet ski is aft, next to a 4-person hot tub.

The large helm area has great visibility all around and provides all the navigational equipment necessary for your voyages near and far.

You will love entertaining your friends and family aboard this elegant vessel as she has ample spaces to choose from for cocktail parties, elegant dining, relaxing with a book or just feeling the wind rush through your hair as she goes max speed of 30 knots to your next adventure. She is also very attractive and well-proportioned for charters if you so choose.

## Exclusions

- Owner's Personal Belongings

## Mechanical Disclaimer

Engine and generator hours are as of the date of the original listing and are a representation of what the listing broker is told by the owner and/or actual reading of the engine hour meters. The broker cannot guarantee the true hours. It is the responsibility of the purchaser and/or his agent to verify engine hours, warranties implied or otherwise and major overhauls as well as all other representations noted on the listing brochure.

## Disclaimer

The company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to prior sale, price change or withdrawal without notice.
