Walkthrough

The lower helm, positioned starboard, and upper helm, situated port, are both equipped with factory-installed Raymarine Platinum Package technology. This includes two 15" touchscreen displays (flybridge has a single), separate auto-pilot control, Tridata instrument display, twin Seakeeper LCD panels, quick chain anchor counter, LCD Motronica display, Xenta Joysticks, ZF Marine propulsion gears, electric window controls, and video cameras providing views of the engine room, bridge, and aft deck areas.

The flybridge features a full hard top with a retractable center section, inviting sunlight into the space. The summer galley, located portside, offers a Kenyon grill, freshwater sink, and Vitrifrigo ice maker.

The salon of this 64 Flybridge is exceptionally inviting with vast windows all around and a 3-piece slider that opens for a true open-air experience. A beautiful sofa with storage beneath is positioned on the port side, along with a pull-out bed. Starboard features an additional sofa with storage beneath and a hi-lo system for the Samsung TV.

The galley boasts double sinks, a refrigerator, conventional oven, stove, bar top for serving drinks, and ample storage and counterspace for cooking.

Each stateroom is equipped with a Condaria digital thermostat.

The Master stateroom is a full-beam suite with 8 large waterline windows and 4 port holes (opening). It includes an island queen berth on the port side and a vanity on starboard. Ample storage is provided with a large hanging locker and shelved storage area. The master also features a separate AV system with an additional Onkyo receiver and Bose surround sound. The en-suite head boasts sleek woodwork on the vanity and basin sink with ample storage throughout. A stall shower with a waterfall-style showerhead and separate wand completes the luxurious experience.

The VIP stateroom, located forward, offers a private en-suite head and 6 port holes, 2 of which open. It features an island queen berth with a beautiful leather headboard and LED reading lights. The spacious en-suite head includes a

standing/stall shower and vanity with a large drawer below.

The Guest stateroom, situated starboard, can be configured with two twins or one queen berth. It includes an en-suite head, which also functions as the day head with access from the stateroom and companionway. Two large port holes (opening) provide ample natural light.
