9KW

Summary/Description

TRI-FECTA is a literally "better than new" 2023 Regal 38XO

Seeking Offers! Best opportunity in a Regal 38 XO on the Market

TRI-FECTA is a literally "better than new" 2023 Regal 38XO. Hardly broken in (only 52 hours), and loaded with every factory option including a SeaKeeper Gyro Stabilizer, her meticulous owner has had her under professional yacht management since new. He has now taken possession of his next boat (moved up in size to do some extended cruising) and does not want to be a two-boat owner. He is actively seeking offers!

Additional after-purchase upgrades include:

- Custom Seat Covers
- Seadek® decking for cockpit and swim platform
- Ceramic coating (touched up every three months)
- Freshwater automatic engine flushing system
- Rogue Wave Wi-Fi extender
- On board Wi-Fi router

Warranties:

Full factory warranties from Regal until June 2023, and extended full Yamaha warranties until June 2029 ensure an easy survey with all relevant findings easily addressed, and continued peace of mind for years to come. All at a significant discount vs. the cost of a new 38XO.

Other Details

SALON
