Summary/Description

This 115' or 35 meter yacht is built to RINA Class and MCA guidlines for charter purposes. Oversized ABT Fins for stability. Huge aft cabana and Beach Club. Currently in-build for September 2025 Delivery.

This 114-ft or 35 meter yacht is built to RINA Class, and MCA guidelines for charter purposes. SheDesigned to fit well into Florida, Bahamas, Caribbean, and Mexican waters. We have 22 knot speed with over stabilized ABT fins for Stability at Rest. We have the largest aft Cabana and Beach Club in our size for enjoying all Watersport's. We have room for all of the tenders and toys. We manage charter vessels so our team knows what is required to excel in the fleet. Ask about our introductory offers.

Introduction

Pantera 35 Coming September 2025!

The Pantera 35 is due to arrive in Fort Lauderdale September 2025. Her exterior styling and interior space plan is by renowned designer Jure Bukavec of Unielle' Yacht Design and her interior decor design is by H2 Yacht Design of London. This raised pilothouse yacht has been created expressly for the American market and American Project Manager, Tim Kings is onsite to oversee the build process. Infused with the experience and knowledge of the Atlantic Yacht and Ship team that brought to market such custom yachts as King Baby 140' and Serenity 133', the Atlantic 115 is Rina Commercial Class and MCA LY3 compliant.

Her design exploits the needs of contemporary, knowledgeable owners and captains with generous 27' 6" max beam and a shallow cruising draft of 5' 8" making the skinny waters of the Bahamas and Caribbean accessible. Powered by twin Caterpillar C32s she will cruise easily at 20 knots. Fully specified with USA friendly engineering and systems, the Atlantic 115 includes zero speed stabilization, prop tunnels, full sound insulation, bow and stern thrusters and all name brand components that are best-in-class.

Plenty of outdoor spaces for both sun and shade, the flybridge features full pilothouse with navigation, comfortable outdoor seating, BBQ, dining, jacuzzi and in-mast day head & shower. The aft beach club features an Opacmare drop down transformer extending and facilitating your access to the sea. On the main deck, aft area dining or sunbathing.

Her large floor to ceiling windows in the main salon and dining area plus the clear bulwarks in this area brings a vision of the sea inside. The headroom on the Main Deck is the tallest of any comparable yacht. The on-deck master forward features full ensuite head and owner's private balcony with four ensuite guest cabins and crew accommodation for six on the lower deck.

Classification, Rules, Certification

- RINA Commercial (Short Range)

Bill Stamp   Bill@stampyachtsales.com   1-407-466-3477

- MCA (LY3)
