BROKERS WALK THRU

If you are looking for a like new boat without the like new price. This may be the right boat for you. The boat has been an outstanding boat for the sellers, but they are looking to probably upsize.

Everything works, Engine has been serviced every year. A brand new Magic Tilt Trailer can be ordered and sized exactly for this boat if you need it... It will be sold separately. Or feel free to find your own. That is fine too.

Upholstery and all interior is in incredible shape. Sorry this model does not come with a head compartment... But that's what sand bars and waterfront restaurants are designed for.

You will enjoy this boat, no two ways about it.
