Inboard
445HP
331.84KW
Fuel: Diesel
Hours: 270
Year: 2003
Location: Port

Engine 2

Cummins
6CTA 8.3
Inboard
445HP
331.84KW
Fuel: Diesel
Hours: 270
Year: 2003
Location: Starboard

Generator 1

Onan
9KW

Summary/Description

A Very Popular in Demand Aft Cabin Motor Yacht w Diesel Power and Lots of Other Options!

Very nice boat with very light use and the very best layout of all Aft Cabin Motor Yachts in my opinion. Slipped behind the sellers' home, the boat is simply getting too large for them, and they need to start going smaller again.

Solid boat, low hours, well maintained, Save over a million bucks over what this would be brand new..

- **Twin Cummins 446 HP Diesel Engines 6CTA 8.3 - Diamond Series -Fresh Water Cooled - ONLY 270 Hours**
- **Mercury Smart Craft gauge**
- **Onan 9 Kw Diesel Generator - Fresh Water Cooled**
- **Helm and Cockpit are 1 Level**
- **Two Staterooms - Two Head Compartment Layout w Large Salon and Nice Galley**
- **4ea. Air Conditioning Units (Forward, Mid-Ship, Aft and Helm) - Reversible**
- **Bow Thruster**
- **Anchor Windlass**
- **Glendinning Cable Master (50 Amp)**
- **Full Raymarine (Newer) Electronics: GPS, Chart Plotter, Fish and Depth, HD Radar, VHF, Auto Pilot**
- **Brand New Bottom Paint May 2024**

BROKERS WALK THRU

A very nice boat and an incredibly popular model. The boat is solid and has many upgrades including very reliable Cummins Diesel Engines. The boat is 20 years old, but does not show it nearly as much as others on the market. Seller are avid boaters who I have been working with over a decade and they take good care of their equipment.

Building on their reputation for design innovation, Sea Ray's 390 Motor Yacht differs from traditional motor yachts in that the helm and aft deck of the 390 are on the same level. The advantage of this layout is that it keeps the captain in the social center of the boat rather than isolated on a flybridge.

From the standpoint of comfort, however, the 390 receives high marks for her spacious interior and luxurious accommodations. The light-filled salon is accented with high-gloss cherry cabinets and leather upholstery,

and a high/low table with stools and a breakfast bar provide dining space. The galley, which is down from the salon level, benefits from the natural light that flows from an overhead skylight. A washer/dryer is found under the steps that lead from the galley to the salon. Topside, an extended hardtop shelters the

small aft deck with its wet bar, acrylic wing doors, and bench seating. A stairway—with a safety railing—leads down to the swim platform.

Very roomy and more than adequate for use as a live aboard. Great for extended cruising to the Keys the Bahamas or closer weekend retreats. She handles very well in coastal waters or jaunts offshore. She features a Hard Top with a fully enclosed Helm and Cockpit that has Climate Control making it a very comfortable ride in harsher conditions.

This is a great overall boat and at a budget saving you about a million dollars over a brand-new vessel. So, give me a call for your personal showing or get your offer in today and let's start working on making this your next boat.

EXTERIOR ACCOMMODATIONS

Cockpit and Helm Air Conditioning

Swim Platform w Molded Fiberglass Stairs to the Rear Cockpit - Transom Door Entry

Same Level Rear Cockpit and Helm - No Additional Stairs or Ladders
