Summary/Description

This 2023 Neptunus 650E is a one-owner, fresh water yacht with exceptionally low hours. She is in near new condition from bow to stern. With twin CAT- C-18 engines this 650E cruises comfortably at 27 knots. For further information please contact us at Ignition Marine International Yacht Sales

This 2023 Neptunus 650E is a beautiful one-owner, fresh-water yacht.

She has three staterooms and three heads, and her interior is graced with natural walnut joinery throughout. The electric sunshade aft, multi-panel sliding glass doors to the interior, center island with barstools extending to the aft deck, and the electric opening sunroof inside all add to your connection with the surroundings.

Designed for the owner-operator, this yacht is fully equipped with twin 16" multi-function displays with augmented reality, 72-mile radar, 15HP proportional bow and stern thrusters with 5-stage dock hold, and a Yacht Controller. For onboard comfort while underway or at anchor, this vessel is also equipped with Sleipner Zero Speed Stabilizers. The Neptunus 650E is CE Category A – Ocean certified.

Ignition Marine International Yacht Sales is pleased to assist you in the purchase of this vessel. This boat is centrally listed by Neptunus Yachts. It is offered as a convenience by this broker/dealer to its clients and is not intended to convey direct representation of a particular vessel
