This 2023 80 Viking Sportfishing Convertible “Freak Show” represents one of the nicest, fastest, most well-equipped 80 Vikings that’s been built. It was constructed as a Viking Demo and then purchased by a knowledgeable Viking owner who checked all of the boxes. With her striking Nardo Grey hull color and her long list of upgrades including but not limited to: CJR twisted rudders and struts, MTU M96L engines with EPC warranty to 4000 hours or 02/2028, large stereo system, 10 underwater lights, Dintecco lightning system, Omni sonar, tuna tubes, Rite Aire system, hydraulic thruster, full faux package including bulkhead, transom, toe rails, and upgraded décor package she is sure to impress. Don’t miss out on this opportunity to purchase this turnkey highly customized vessel that’s ready to travel anywhere for a fraction of her replacement cost.
