Summary/Description

OPPORTUNITY TO OWN AN IP40 WELL UNDER MARKET VALUE! If you're in the market for an Island Packet 40, this one is a must see. Minor storm damage from Ian. No structural damage. Vessel will require new Jib and Staysail, new Furlers for both, some standing rigging repair as well as a Bimini and Mainsa

\$20,000 PRICE REDUCTION 3/30/2024!

1997 Island Packet IP40 Cutter, OPPORTNITY TO OWN AN IP40 WELL UNDER MARKET VALUE!

If you're in the market for an Island Packet 40, this one is a must see. There was damage from Ian, however there was no structural damage. Vessel will require new Jib, Staysail, Furlers, some rigging will need to be addressed, as well as a Bimini and Mainsail cover. Listing price reflects all needed work. Happy Sails has fresh bottom paint, new prop, cutlass bearing and is loaded with cruising equipment/features.

The Island Packet 40 is a superior cruising yacht with plenty of comfort, privacy, storage, and the elbow room for extended cruising, as well as great performance under power or sail, and construction that provides confidence to pursue all of your adventures. "Happy Sails" is the perfect example of a high quality cruising boat with great performance, superior safety, ease of handling and spacious and livable accommodations.

"Happy Sails" has many owner improvements to make her the perfect boat to follow your dreams wherever they may be.

As you enter Happy Sails your first impression will be the spacious feeling. The main salon is well laid out and has generous storage below and behind settees. Large cabinets and book racks outboard to starboard and port with another TV/DVD and radio amplifier.

A foldaway bulkhead mounted table has a built-in bottle and storage rack. Starboard settee pulls out to make double berth. Custom TV/DVD over bunk. Fiddle rail and shelf to starboard.

Starboard of companionway is a large wraparound galley. The galley is equipped with a three-burner LPG stove with oven, large refrigerator/ freezer with digital temperature displays and electric sump drain, double stainless steel sinks, hot and cold pressure water, microwave oven, manual water pump, and Seagull water filter.

At the aft end of starboard settee is the navigation station with instrument panels, VHF and Icom single side-band radios.

Head and shower to port with access from both salon and aft cabin.

The owner's stateroom features an over sized double berth to starboard with six deep cedar-lined drawers underneath. Additional large storage bins under berth. To port is a large hanging locker and bureau storage bins with shelf space on top. Large head area with shower forward.

Aft cabin has large double berth, hanging locker and bureau storage bins.
