Engine 1

Yanmar

2MY15

Inboard

14HP

10.44KW

Fuel: Diesel

Year: 2011

Location: Middle

Summary/Description

Seaward 26RK 2011

PRICE HAS BEEN REDUCED!

Very well maintained pocket cruiser. The Seaward 26RK is built with the gunkhole sailor in mind. For the quiet Florida waters that are shallow and inaccessible to larger vessels, this boat is ideal with a minimum draft of 2 feet. However, it is also capable of navigating open waters, with a retractable keel that draws 6 feet when down. The rudder is also retractable within a sheath to match the water depth.

The cockpit is roomy for a 26 footer, measuring over 8 feet long and 5 feet wide. This is the standard tiller version that allows for more room for relaxing when at anchor or at the dock. The helm is very light and is easily handled.

Two group 27 AGM batteries (11/23)

200W solar panel with controller

30 amp shore power

Victron battery monitor

Raymarine ST1000 Tiller Pilot

Garmin 640 GPS

Fusion bluetooth stereo with cabin and cockpit speakers

Self tailing winches

Cockpit traveler

Stainless port lights

If you are seriously looking for a boat that will allow you to explore some of the best shallow waters in Florida, then look no further. Call or email David Plank to arrange a showing!
