Summary/Description

1995 Catalina 320

Price Reduced!!!!

Very clean Catalina 320 with TRANSFERRABLE SLIP AT FISHERMAN'S VILLAGE IN PUNTA GORDA!

The 320 is designed specifically for the cruising market. The boat feels larger than a 32 footer, partly due to it's wide 11'9" beam.

The immediate impression upon stepping below is of lightness from two hatches and 10 portlights, four of which open to provide ventilation. The galley, located to port, has a double stainless sink, Hillerange 2 burner stove/oven. Originally, there was an Adler-Barber refrigerator, but it failed and a previous owner removed the compressor and cooling unit.

The saloon has comfortable seating for four that converts to a double berth. The master stateroom is aft to starboard with standing headroom and a hanging locker.. The forward v-berth is large enough for two adults.

Power is provided by a Perkins KD3024, providing 27 horsepower.

Call today for more information or to arrange your showing.
