Summary/Description

Completely Retrofitted in 2023

Picture this, the wind is blowing 10 to 15 knots, the sails are up and you are surrounded by warm turquoise water with a swell of around half a meter. And then the anchorage comes into sight. Is this a dream you ask, "no" it is not, it is a reality. It is a weekend out on your new 2007 Beneteau 343.

Sea Otter just splashed August 2023 after an extensive refit, and she can be yours. All new standing rigging, new main-sail, new bottom paint. New Bimini and Dodger. Even the motor with only 201 hours got love while she was out. New belts and hoses, new impellor, oil change and filters, fuel polishing and fuel filters for the raycor and primary. To say that this boat has been lovingly taken care of is an understatement.

Sea Otter has a draft of 4.75 ft/1.45 m that lets you get close to the beach in the intimate anchorage. As well she around 50 ft / 15.04 m air draft so running around in the intercostals is a breeze.
