Summary/Description

Set sail for adventure in this Diesel Duck 41-Plus, a steel-hulled long-distance trawler that is ready to take you anywhere in the world.

With its spacious accommodations, comfortable cruising speed, and extensive range, the Diesel Duck 41-Plus is the perfect vessel for bluewater cruising, liveaboard living, or extended voyages.

The Diesel Duck is a steel-hulled long-distance trawler that has won numerous People's Choice awards at TrawlerFest events. While each vessel is truly a custom build, this particular hull, 2009 Diesel Duck 41-Plus "Zeta" is in excellent condition and has been well-maintained by just 2 owners since she was constructed.

Following construction, Zeta was shipped by the original owner from Turkey to Florida and after limited use, was sold and eventually brought over to San Diego to cruise the West Coast. As the story often goes, the current owner's plans have changed, and so this offering will make a great opportunity for the next owner.

If you are looking for a rugged, elegant, and seaworthy vessel that can take you anywhere in the world, the Diesel Duck 41-Plus is a great choice for you. She features a full displacement steel passagemaker hull, a Volvo Penta diesel engine, and a sail assist with a balanced rig and furling sails for additional/secondary propulsion and added stability.

With a reported range of 2,188 miles at 7 knots, Zeta is the perfect vessel for long-distance cruising. Zeta is equipped with a variety of navigation and safety equipment, including radar, autopilot, bowthruster, as well as a watermaker. Her spacious and comfortable accommodations include a well-protected pilothouse, a luxurious owner's aft stateroom, a spacious forward head, and an ample longitudinal galley.

In 2021, the current owner had the bottom wet sanded and applied two coats of black Peta Trinidad 1871. Additionally, Zeta received new zincs, a new 2" shaft, cutless bearings on both sides of the stern tube, a PSS system, and the removal of the dripless bearing water injection.

Key Features:

- Volvo Penta Diesel Engine 97hp <400 hours
- Raymarine Electronics: Auto, Plotter, Radar
- Bowthruster
- Heat/Air Conditioning
- Watermaker
- Combination Washer/Dryer

Tankage

Fuel: Total Capacity: 1094
