Summary/Description

"DRIVEN" is an 88ft Conrad Motor Yacht built in 2005 with over \$2,400,000 spent in upgrades and maintenance during its time with its most recent refit completed in March 2024.

"DRIVEN" is an 88ft Conrad Motor Yacht built in 2005 with over \$2,400,000 spent in upgrades and maintenance during its time with its most recent refit completed in March 2024. This stunning vessel perfectly combines classic elegance with modern sophistication, and Northern European pedigree built to US Specification / 60Hz with ASEA converters. With its Steel hull and aluminum superstructure "DRIVEN" boasts a staggering volume of 195 Gross Tons with a range of 2500 nautical miles at 11 knots. "DRIVEN" is a true Tri-Deck motor yacht with an outstanding sundeck and features a spacious on-deck master suite with a spectacular His and Hers master ensuite, which is a rare feature in yachts under 140ft'. The yacht has been meticulously upgraded and maintained to meet the highest standards of luxury and comfort and possesses ample deck space for outdoor relaxation, dining, and entertainment. The interior is exquisitely designed with luxurious furnishings and contemporary elements. Whether cruising along serene coastlines or entertaining guests in style, "DRIVEN" stands as a testament to timeless beauty and impeccable craftsmanship, ensuring an unforgettable experience on the water with her recently upgraded zero-speed stabilizers.

Preliminary Photography, Professional Photos coming soon
