Summary/Description

The Two Oceans 675 power catamaran is a masterpiece of style, penned by the talented team at Du Toit Yacht Design, one of the World's leading catamaran design studios. The 675's elegance is enhanced by her streamlined hulls that combine with her bold reverse sheerline to create a powerful, muscular

The Two Oceans 675 power catamaran is a masterpiece of style, penned by the talented team at Du Toit Yacht Design, one of the World's leading catamaran design studios.

The 675's elegance is enhanced by her streamlined hulls that combine with her bold reverse sheerline to create a powerful, muscular appearance while pairing comfort with efficiency.

Built to the highest quality standards by Two Oceans Marine Manufacturing of Cape Town, South Africa, using the latest high-tech, lightweight built methods, the 675 takes full advantage of the technological advancements which have come on in leaps and bounds in recent years.

Du Toit's advanced hull designs combine excellent seakeeping characteristics providing performance, efficiency and reliability. The 675 has a range well over 1,000 nautical miles at 12 knots with a top-end speed of over 20 knots.
