Motivated seller. Recent surveys available.

ARIADNE is a traditional 124' custom American motor yacht brought into the modern age. Inspired by the bygone era of luxury transatlantic ocean liners, she is a true classic yacht that exudes a relaxed elegance with thoughtful touches and an extraordinary attention to detail.

ARIADNE was constructed in 1979 by the renowned Breaux Bay Craft shipyard in Louisiana. She received a multi-million-dollar refit between 2018-2022 at the Derecktor Shipyard and Lauderdale Marine Center, where she was completely reworked structurally, mechanically, and aesthetically.

She is characterized by her flag-blue paint, crimson and gold boot stripes, and her fresh cream superstructure. She features thick hull plating and a shallow draft, which makes her the ideal yacht for cruising locations such as the Bahamas.

ARIADNE boasts three separate exterior deck areas with a three-level aft deck. She features a spacious sun deck that has been expanded to four times the original size, making this the perfect spot to entertain friends and family.

She can accommodate 8 guests in 4 staterooms. With interiors inspired by the transatlantic ocean liners of the 1930s, ARIADNE is adorned with marble floors, fixtures, and sconces, gold and brass touches throughout, Art Deco bronze outlet plates, and custom artworks.

Equipped with four John Deere 650hp engines, she can reach a top speed of 15 to 20 knots and a cruising speed of 10 to 14 knots. Her two generators were completely rebuilt in her recent refit.

## DECKS

ARIADNE has three beautifully-appointed decks designed with both entertainment and relaxation in mind. Her classic lines and sleek profile evidence refined style and spaces.

## SUN DECK

Breathe in the fresh salty-tinged air and bask in the sunshine on ARIADNE's new, enormous sun deck. With an unusual three access points for a vessel this size, the sun deck boasts the space and features of a yacht many times the cost and

size. Slip into the jacuzzi, enjoy a cocktail at the bar, and make the most of al fresco dining with a new propane barbeque grill.

## MAIN DECK

ARIADNE's main deck offers generous outdoor sun pads and shaded seating forward, wide side decks running the length of the vessel, SCUBA equipment for 4 (including 8 tanks), and a 3-level beach club aft featuring covered dining, lounge, and water levels. Inside are the large salon, separate formal dining room, VIP cabin that converts to a private study with desk, and spacious bridge with viewing sofa and captain's office area. Every inch has received detailed attention, including the luxurious day head, which boasts eglomise glass wall panels, a custom scalloped art deco eglomise glass mosaic floor, gold-washed fixtures, and illuminated Daum crystal faucets.

## LOWER DECK

A sanctuary featuring the brand-new, full-beam master stateroom with lounging, work, and dressing areas, a sumptuous queen cabin, and an elegant convertible twin/king cabin. Each is coordinated with color and textiles to its own ensuite bathroom with individual custom mosaics.

## INTERIORS

ARIADNE's rich interiors provide a refined and luxurious ambience. From the original cherry and burled maple paneling to beautifully handcrafted stonework, ARIADNE features thoughtful touches and inspiration from the bygone era of transatlantic liners, exuding an unmatched level of elegance and authenticity.

## SALON

Warm cherry paneling, cabinetry, and columns are combined with new custom furniture and antiques. ARIADNE's salon also showcases contemporary style for a truly unique space. The room's focal piece on the forward wall, an illuminated specially-commissioned, etched mirror featuring an image of the famous statue from Antiquity of the Greek goddess Ariadne, pays homage to the yacht's namesake while bringing natural light into the center of the room.

## DINING ROOM

With service items of silver, crystal, and custom gold-rimmed French china patterned after the first class service on the SS Normandie, dining on board ARIADNE captures the essence of traditional trans-Atlantic elegance. Rich wood finishes make this separate room perfect for an evening of fine dining.

## MASTER STATEROOM

A sanctuary of grace and serenity, the master stateroom features book-matched cherry paneling, a king bed, plush custom furniture, including a cloud-like velvet sofa and a vintage chrome art-deco desk lamp (optional), and elegant finishes. The custom desk chair is copied from the originals on the Queen Mary. The bathroom flaunts a stunning hand-laid mosaic floor of marble, gold leaf, and mother of pearl, a large spa tub, a separate shower, and exquisite French crystal Lalique faucets.

## GUEST CABINS

With a main deck VIP queen that is convertible to a private study with desk, a large convertible twin/king, and a large queen cabin, ARIADNE offers luxurious space, style, and comfort for every guest. Each cabin features the finest bedding and linens and its own large color-coordinated bathroom boasting nickel and crystal fittings, slab stone, and individual custom mosaics.
