- Located beneath the cockpit
- Cummins Onan 13 Kw Generator (installed in 2023 with only 75hrs)
- Glendening shore cable system
- Access to the rudders

Hull and Deck Features

The bow of the 500 Sedan Bridge Sea Ray is both visually striking and functionally designed. With its graceful upward curve, the flared bow not only gives the yacht a sleek and distinctive profile but also ensures a smoother ride in rougher waters by deflecting waves away. The pronounced foredeck area often features sun pads, allowing passengers to lounge and sunbathe in luxury, with handrails or bow railings ensuring safety. High-quality stainless-steel hardware and fixtures, coupled with the meticulous craftsmanship Sea Ray is known for, make this bow a perfect blend of form and function.

- Bow Rail, 316 Stainless Steel w/Welded Stanchions,
- Intermediate Rails & Life Lines
- Cleats, Custom Sea Ray® Thru-Bolted - Bollard Style,
- Deck Fill Plates, Stainless Steel
- Deck Rails, Stainless Steel
