### MODEL YEAR 2024

We know the paths and challenges to position ourselves ahead of the competition, but more than this, we know that it takes a greater effort to maintain this privileged position.

The Schaefer 600 was born to lead, and once again comes to change the nautical market. It is a new concept of space and technology.

- Rent the boat of your dreams for a whole season. This unique offer is available now with our 'Lease to Own' program.
- For a limited time, we will reimburse your membership fee against the purchase price of a new Schaefer Yacht. Essentially you will boat for FREE an entire season!
- Upgrade program - 100% trade-in value up to 12 months after you purchase. Your purchase does not depreciate a cent.

### OUR MOST ADVANCED HULL COATING EVER

We apply Sea-Speed to the hull which is the most advanced next-generation silane based hard coating for boat hull application. Biocide free environmentally friendly bottom coat protection with low drag which improves speed and fuel efficiency. A flexible film that resists damage and wear while being 30% lighter than copper-based bottom paints. Comes with an industry-leading 10 year warranty.

### EASY CONNECT APP by VOLVO PENTA

With Volvo Penta's Easy Connect boating app for leisure as well as commercial applications, you can stay connected to your vessel or fleet, wherever you are. Monitor, plan ahead or send crucial engine data directly to your service dealer. You get complete control of your vessel's engine status - and much more - straight to your smartphone or tablet.
