### MODEL YEAR 2024

The Schaefer 660 impresses with its innovation, design and sophistication.

The two new fold-out side balconies provide a 25% increase in cockpit entertainment space. Four staterooms along with three full heads and a private entrance to the master suite ensure great comfort for the owner and all guests. The expansive single-level main deck and countless other novelties make the new Schaefer 660 intriguing to even the most savvy boaters.

- Rent the boat of your dreams for a whole season. This unique offer is available now with our 'Lease to Own' program.
- For a limited time, we will reimburse your membership fee against the purchase price of a new Schaefer Yacht. Essentially you will boat for FREE an entire season!
- Upgrade program – 100% trade-in value up to 12 months after you purchase. Your purchase does not depreciate a cent.

### OUR MOST ADVANCED HULL COATING EVER

We can apply Sea-Speed to the hull which is the most advanced next-generation silane based hard coating for boat hull application. Biocide free environmentally friendly bottom coat protection with low drag which improves speed and fuel efficiency. A flexible film that resists damage and wear while being 30% lighter than copper-based bottom paints. Comes with an industry-leading 10 year warranty.

### EASY CONNECT APP by VOLVO PENTA

With Volvo Penta's Easy Connect boating app for leisure as well as commercial applications, you can stay connected to your vessel or fleet, wherever you are. Monitor, plan ahead or send crucial engine data directly to your service dealer. You get complete control of your vessel's engine status – and much more – straight to your smartphone or tablet. ## **About Schaefer Yachts**

### **The Schaefer Yachts Ship-Yard**

Starting with Schaefer's 29 years of quality craftsmanship and culminating with the impeccable design excellence of the world-renown Pininfarina design team, Schaefer Yachts boast the 'tour de force' of luxury and style. Featuring a bold but elegant look with aesthetically modernistic lines and the detailed attention given to the innovative and ergonomic use of space, the Schaefer boats redefine superiority.

Combine these qualities with the performance initiated by the expert design of Schaefer's naval engineering team and you have the definition of a well-groomed thoroughbred. Unique in the market, combining comfort with high technology, the boats produced by Schaefer Yachts impress at first glance. They stand out for their beauty, workmanship, sophistication and high performance, unique features among the competitors. – from the Schaefer 260 (26') to the Schaefer 25M at 83'.
