- *Great Cottage Boat Combines Luxury, Value & Performance*
- *Brilliant Reviews and Schaefer's #1 Seller*
- *Volvo Penta Glass Cockpit System*
- *Fusion Audio Sound System*
- *The Perfect Charter Boat for the Great Lakes*
- *Seakeeper 1 & SeaKeeper RIDE 600 Installed (MSRP \$39,900USD)*

The all-new V33 is the first of the new V-line by SCHAEFER YACHTS. This innovative Centre console should quickly rise in popularity as a great cottage sport boat, fishing boat, and family boat. Offering the comfort and features of luxury yachts, but with the easy hose-down and minimal maintenance today's busy lifestyles appreciate. Center consoles are known for big water capability and safety, plus fishing and watersports features make this the go-to-do anything boating a great solution for boaters looking to check all the boxes.

Schaefer's modern European styling has the comfort and flexibility to do anything, whether on fresh or saltwater. The new Schaefer V33 is a contemporary and sporty walk-around, equipped with the most modern technologies for the Great Lakes Market. With a wide variety of inboard or outboard engine selections, the Schaefer V33 favors the outdoors with its open bow and ample space aft. The surprisingly spacious cabin and luxurious finishes make this a comfortable weekend boat with plenty of space for two people yet easily entertain 10 to 12 people during the day.

Elegant finishes are available for this new model, taking materials and designs from the larger Schaefer custom yachts that range up to 83'. Schaefer Yachts in Brazil has one of the most advanced manufacturing processes in the Americas. Using a state-of-the-art 5-axis CNC machine for accuracy, the hulls are vacuum-infused fiberglass with PVC foam cored hull, deck, and superstructure. Schaefer's vertically integrated assembly, with in-house woodworking, tooling, and textile production, makes them self-sufficient and able to maintain quality and timely deliveries.

Features:

- Popular Centre Console walk-around design with comfortable stand-up cabin and head
- Comfortable bow lounge seats with drink holders and an extensive L-shaped sitting area with a large table
- Gourmet center with electric grill BBQ, large capacity built-in cooler, sink and faucet, storage, glassware cabinet, and trash cabinet
- Hidden anchor system with an electric windlass with controls at the bow and helm
- Large storage areas under seats and spacious electric hatch for water toys, ski, and other equipment
- Fishing rod and ski storage areas are built into the hull
- Bow and aft sunshades are removable and easily setup / stowed
- Easy to clean and maintain factory-installed Sea Deck flooring
- Large easy access swim platform for water activities or lounging
- Built to ABYC Standards and NMMA certified

BONUS Upgrade program - 100% trade-in value within 12 months of your purchase. Your Schaefer investment does not depreciate a cent.

BOW TO STERN

Schaefer provides a modern design combining the latest manufacturing technology with all structural parts made by vacuum infusion guaranteeing a fast and solid ride even under harsh conditions. The single-level deck with high gunwales and the intelligent layout of the cabin below offers an unseen use of space with unparalleled comfort. Down below, via the port side sliding door, you'll find a stand-up head and a doublewide berth for a couple to overnight in a space larger than a typical cuddy cabin. Four different designer finishes are available with internal upholstery in leatherette.

The head is luxuriously finished and designed with an electric head, shower, storage, and stainless faucet/sink.

Boat owners who place a priority on quality and refinement will appreciate the elegant accents and upholstery, and the entire crew will love the conveniences, which start up front with the dedicated anchor locker equipped with a retractable disappearing catapult design windlass with foot controls and helm remote. A fully electric teak anchor hatch & stainless windlass ensures a smooth and effortless anchorage. Remote-controlled windlass with catapult SS anchor and 164' chain and swivel

The bow boasts a spacious V-Shaped lounge area with space for 2 sun worshippers. Equipped with elegant diamond-patterned stitching on the backrests and a raised pillow embossed with the Schaefer Logo for added comfort. Cupholders built into the armrests allow you to relax and enjoy the ocean views without the worry of spilling your drinks! The frontmost portion of the lounge seat lifts to uncover a spacious storage area for extra supplies, ropes, or anything you need out of the way. The walk-around deck is equipped with 2 stainless steel rub rails on either side of the bow and 6 retractable stainless-steel cleats, a unique feature not seen on vessels of this size and category.

HELM AREA

The Yacht Solutions dealership orders most boats with the Volvo Penta fully integrated system of EVC, Joystick control, and Volvo Garmin Glass Cockpit. This state-of-the-art powertrain system combined with navigation and entertainment systems has many user-friendly technology features readily available. The visibility is a full 360 degrees from the Dual Helm Seating, The notable fiberglass T-Top in white or color combined with the 3/4 windshield is both stylish and functional.

ELECTRONICS

Choose from a wide selection of single or multiple 9 - 16" MFD, plotters, radios, and radar from Simrad, Raymarine, and Garmin. The clean beautiful look of the Volvo Glass now being used in many super yachts integrate all systems including entertainment.

COCKPIT

The outdoor galley or gourmet station lies directly behind the helm seating and offers a sink, cooktop, fridge, and under-counter storage. There are four seating configurations to accommodate your lifestyle complimented with fiberglass or teak tables.

ENGINES

This V33 is powered by the upgraded Volvo Penta I/O 380 V8 DPS with a bow thruster. This engine features low emissions, quiet operation, excellent fuel economy, and utmost reliability with 5 years P & L warranty.

OPTIONS

With an empty weight of under 10,900 lbs, a tandem axle trailer with brakes is available as an option.

Loads of standard features on this boat however, there are many options available including electric trim tabs, Fusion sound system upgrades with BT and marine speaker combinations, generator, shore power connection, battery charger, 12 Volt and 110 V outlets, teak decking, fishing rod holders, ski tow hook and more. Check with your Schaefer yacht dealer YACHT Solutions for more pricing and information. Pricing starts at CAD 299,000 including a 100% 12-month trade-up program. Order your boat today to arrive for this summer and get a loaner to use in the meantime.

About Schaefer Yachts

For over 30 years Schaefer Yachts in Brazil has produced more than 4,000 boats up to 83 feet, while setting a new standard of quality and innovation in the market. Unique in the industry, combining comfort with high technology, the boats produced by Schaefer Yachts impress at first glance. They stand out for their beauty, workmanship, sophistication and high performance which distinguish Schaefer Yachts above competitors.

With one of the biggest machining equipment in the Americas, Schaefer Yachts CNC guarantees accuracy in the production of all parts involved in the project. All parts are produced by a vacuum infusion process resulting in lightweight and sturdy vessels that provide a more comfortable, safe, and economical journey. With its own in-house woodwork, Schaefer Yachts found the solution to bring the finish and refinement desired in our boats. Refinement in workmanship and extreme attention to detail are featured in all Schaefer Yachts. Tastefully selected materials blend with true craftsmanship, resulting in an elegant line of yachts with fully customizable interior upholstery and features. With a vertically integrated production process, Schaefer Yachts guarantees timely delivery of your boat while attaining the highest quality standards.

The National Marine Manufacturers Association (NMMA) Certification program covers over 30 categories of standards and every Schaefer Yacht is built to these standards and tested before being imported into Canada and the USA.
