FRACTIONAL YACHTING

The YACHT Solutions Fractional program is a practical boating system that allows you, as an Owner the satisfaction of accessing a beautiful late model yacht without all of the hassles, headaches, and high expenses that can be associated with ownership. You will captain a pristine yacht that is bigger than 90% of most boats on the water and access the boat easily through our online scheduler. This boat has been setup in a revenue program where the owner(s) receive a 9% annual return. All costs are covered including slip fees, insurance, maintenance, cleaning, and full yacht management. Sole ownership is great; however, if you have done any research on the costs of a boat worth \$350K, you know that you would pay each month approximately \$2500 to the bank, \$700 for the slip fee and winter storage, \$200 for insurance and \$2500 or more for maintenance, cleaning, and pump-outs. Plus if you are like most boat owners, you only end up using your new boat 2 -3 times per month. The YACHT Solutions program will provide many of the benefits of sole ownership with less work and more boating enjoyment. and costs.

1/4 Ownership Share - \$175,000 CAD

1/2 Ownership Share - \$350,000 CAD

The new Schaefer 400 is "Love at First Sight" as she redefines the express cruiser concept. Designed by the talented hands of Marcio Schaefer, this novel variation offers pleasing eye and driving sensations. The design of this boat is harmonious with a perfectly organized interior and a selection of high quality finishes.

The sleek lines of the Schaefer 400, complimented her retractable hardtop and modern hull design, emphasize her pronounced sporty character. With her central driving console and the technologically advanced hull manufacturing process, she offers excellent handling and safety when travelling at up to 35 knots. The space in the cockpit is generous and organized in an way that can accommodate 12 people.

The layout of the lower deck gives you a feeling of space unrivaled on a boat this size. Facing the spacious saloon, a proper fully-fitted galley complements the deck galley. The Schaefer stands out for its habitability with two staterooms each with its own en-suite shower / toilet. Elegant finishes are used taking materials and designs from the larger Schaefer yachts right up to custom super yacht at 83'.

In her overall design as well as many details, the Schaefer 400 demonstrates a perfect balance between a strong sporty temperament and practical features that make life on board easy and luxurious.

- Upgrade program – 100% trade-in value up to 12 months after you purchase. Your purchase does not depreciate a cent.

OUR MOST ADVANCED HULL COATING EVER

The **YACHT Solutions** program will provide many of the benefits of sole ownership with less work and more boating enjoyment. and costs.

THE CONVENIENCE OF YACHT MANAGEMENT

YACHT Solutions Fractional boating is ideal for busy professionals that do not have the time to look after regular cleanings, regular maintenance and other day to day responsibilities. Owners choose the location of the yacht and can consider the Florida in winter option as well. The program is extremely flexible allowing owners to select changes of usage year by year should your circumstances change. You enjoy the boat and leave the day to day responsibilities to us. This turn key program has been designed for easy entry with flexible exit options. You'll feel good about the money you will be saving on boat payments, maintenance, insurance, and slip fees.

ACCESS TO YOUR BOAT IS EASY

The Scheduler application updates in real-time as each time slot is filled. Thus as a User, you are able to access the schedule at a time. The concept is brilliant so imagine this - you will be able to take friends, family, or clients cruising on a beautiful day, an evening, a weekend, or even a full week and not only take pride in the boat that you captain, but you also have the satisfaction of knowing that you aren't paying full price for such a luxury. Typically, busy people like you find time to use their boats just a few times per month. Perhaps you'd like to go for a relaxing evening cruise after work to unwind or maybe you'd like to take your family or friends out for a weekend adventure to Niagara on the Lake. YACHT Solutions uses a web-based, real-time scheduling system to easily and conveniently plan your cruising times for the months ahead. The Scheduler shows available times and you choose which dates are convenient for you and your busy schedule.

Managing your boat is easier than ever using our specialized app:

- Make, Change or Cancel a Reservation
- Check On and Check Off the boat

About Schaefer Yachts

For over 29 years Schaefer Yachts in Brazil has produced more than 3,600 boats up to 83 feet, while setting a new standard of quality and innovation in the market. Unique in the industry, combining comfort with high technology, the boats produced by Schaefer Yachts impress at first glance. They stand out for their beauty, workmanship, sophistication and high performance which distinguish Schaefer Yachts above competitors.

With one of the biggest machining equipment in the Americas, Schaefer Yachts CNC guarantees accuracy in the production of all parts involved in the project. All parts are produced by a vacuum infusion process resulting in lightweight and sturdy vessels that provide a more comfortable, safe, and economical journey. With its own in-house woodwork, Schaefer Yachts found the solution to bring the finish and refinement desired in our boats. Refinement in workmanship and extreme attention to detail are featured in all Schaefer Yachts. Tastefully selected materials blend with true craftsmanship, resulting in an elegant line of yachts with fully customizable interior upholstery and features. With a vertically integrated production process, Schaefer Yachts guarantees timely delivery of your boat while attaining the highest quality standards.

The National Marine Manufacturers Association (NMMA) Certification program covers over 30 categories of standards and every Schaefer Yacht is built to these standards and tested before being imported into Canada and the USA.
