Summary/Description

The Monterey 335 Sport Yacht is a roomy sterndrive cruiser with a balanced blend of comfort and performance. Monterey's are generally good values compared with the competition—construction is first-rate, the styling is cutting edge, and the list of standard equipment is impressive.

The layout of this 2016 Monterey 335 includes a roomy cockpit with wraparound lounge seating and a convertible aft sun pad. A walk-thru windshield provides easy access to the foredeck with its removable sun pad and standard anchor windlass.

The Monterey's well-appointed interior with Ultraleather upholstery has sleeping arrangements for six including a double berth forward, convertible dinette, and an aft seating area that converts to a double berth. Additional features include synthetic wood cabin flooring, an entertainment center with a 22" flat-screen TV, a generator, mahogany interior cabinetry, a cockpit wet bar, a transom shower, and a cockpit table. She has twin Volvo Penta 300HP engines that cruise at 26-28 knots (40+ wide open).
