The Highfield Classic 260 is an 8'6" inflatable tender with a recommendation of 8 HP. It carries up to four people and weighs just 119 pounds. Its high tensile chromated and powder coated aluminum hull is highly durable, especially while beaching and trailering with no worry of gel coat chips or damages. Its double deck adds an extra level of comfort, keeping feet and gear dry on deck.

Standard features include flush mount non-return valves, a bow locker with space for a 6 gallon fuel tank, integrated transom supports, a removable seat, an under-seat bag, lifting points and tow eyes, tow bridle points, a brushed foam teak finish deck, a heavy duty rub rail, a full-length keel guard, a tank strap kit, and a Highfield dry bag, oars, a repair kit, and a foot pump. Available as upgrades are an extra seat, a transom seat bag, a molded bow cleat, a bow cushion, and an extra seat.
