The Highfield Classic 380 is a high quality inflatable tender with luxury finishes and a powder coated aluminum hull. The aluminum hull is durable, lightweight, and ideal for those who trailer or beach their tenders often, as there is no worry of gelcoat or fiberglass damages. The self-draining double deck provides an extra layer of comfort for dry feet and gear. The CL 380 fits up to 7 persons and has a recommended power rating of 20HP.

Standard features include a bow locker to fit a six gallon fuel tank, a tank strap kit, a removable seat, an under seat bag, integrated transom supports, lifting points and tow eyes, tow bridle points, a brushed foam teak deck, a heavy duty rub rail, a full length keel guard, and a Highfield dry bag, a repair kit, oars, and a foot pump.

Optional features include an FCT console, a transom storage box, a molded bow cleat, a bow cushion, an extra seat, and a boat cover.
