Summary/Description

The Whaly 370 is a 12'2" highly durable tender, manufactured from high-grade polyethylene. Its hull is indestructible, almost unsinkable, and it is extremely stable with minimal tipping.

Customizable Boat: Palm Beach

The Whaly 370 is a 12'2" highly durable tender, manufactured from high-grade polyethylene. Its hull is indestructible, almost unsinkable, and it is extremely stable with minimal tipping. The Whaly is comparable in design to RIBs, but it features maintenance-free tubes and performs exceptionally in high seas and while making sharp turns. It can be safely beached on rocks or concrete without running the risk of puncture. Its hardy qualities make it perfect for use as a work boat or a tender. In addition, Whaly is an eco-conscious choice, as the hull is fully recyclable.

The Whaly 370 has a maximum power rating of 20 HP and has a capacity of 8 persons or 1213 lbs. Several options are available (at additional price) which provide customization of any Whaly boat. These options include an opening bench, a bow rail, a navigation arch, a console and bench combo, a Bimini top, or a set of oars.

The Whaly 370 is available in Light Gray but may be special ordered in additional colors or with the above options included.

**Engine and optional features not included at this price.*

We're proud to showcase Whaly Boats at all our Florida showrooms, including:

Ft. Lauderdale, Palm Beach, Stuart, Sarasota, and Tampa Bay.

Options

- Opening Bench
- Bow Rail
- Navigation Arch
