Axopar 45XC Cross Cabin

Triple Mercury 300Hp JPO

The Axopar 45 is not your typical recreational boat; it introduces a revolutionary multifunctional and modular concept for a vessel of its size. This innovative design makes it one of the most versatile boats available, redefining the standard for fast commuting with abundant comfort and style.

Our commitment to disruptive products is evident in the Axopar 45 XC Cross Cabin, a groundbreaking creation. This model stands out as the world's first outboard-powered, fully enclosable walk-around cabin boat in its size category, offering unparalleled all-weather cruising capabilities. With a simple touch, users can seamlessly transition from an enclosed cabin boat to an open boat experience. In an instant, the large dual sliding doors and dual electric roofs can be closed, providing complete protection from the elements.
