## Summary/Description

For Sale

### **Customizable Boat: Tampa Bay**

The Northstar Axis 3.8 is a durable and smooth-riding inflatable tender loaded with standard features not offered by competition. Recommended power is 40 HP with a maximum rating of 50 HP. Its Delta Lift hull design and Delta tabs are quick to plane and deliver a stable and dry ride. With three air chambers, the Axis 3.8 has a suggested tube pressure of 2.6psi and a 16.5" tube diameter.

Standard features include an ergonomic console, an electrical system with a switch panel, LED navigation lights, an all-around white light, and an automatic bilge pump, an acrylic glove box with a USB charge port and a main cutoff switch, hydraulic steering, a replaceable transom for short or long shaft engines, Hypalon tubes, a self bailing deck, and marine upholstery.

The Hypalon tubes are available in White, Light Grey, Dark Grey, and Black with a hull available in White, Grey, or Black. Upholstery includes a helm bench seat, a port side-console seat, and a bow seat. Upholstery is available in Champagne, Sahara Yellow, Mandarin, and Shark Grey.

**We're proud to showcase Northstar Boats at out Tampa Bay showroom.**
