Summary/Description

The 26'11 Ocean Craft Marine Fire-Fighting 8.0M craft surpasses all operational requirements for rescue and fire-fighting missions and is powered as standard by twin Yamaha F115 HP outboards.

Customizable Boat: Tampa Bay

The 26'11 Ocean Craft Marine Fire-Fighting 8.0M craft surpasses all operational requirements for rescue and fire-fighting missions and is powered as standard by twin Yamaha F115 HP outboards. It is capable of speeds up to 59 knots and has a 15 persons capacity. Fully customizable, the OCM Fire-Fighting craft uses the Godiva Power Flow fire fighting pump and accessories to pump up to 350 gallons per minute at 10 bar pressure and 9.8 feet of lift from directly below the hull for an unlimited supply of water.

Standard features include red tubes and hull color, triple fendering rub rails, an exterior safety line, an interior safety line, molded rubber handles, stainless steel heavy duty lifting points, navigation and anchor lights, two automatic bilge pumps with float switches, a stainless steel transom strip, an anchor locker, and three U-bolts (1 on the bow, two on the transom).

***Base price listed.**

We're proud to showcase Ocean Craft Marine at all our Florida showrooms, including:

Ft. Lauderdale, Palm Beach, Stuart, Sarasota, and Tampa Bay.
