Summary/Description

The Windy SR52 is luxury vessel ideal for use both as a high-end yacht tender or a sports cruiser to share with friends and family.

Customizable Boat: Tampa Bay

The Windy SR52 is luxury vessel ideal for use both as a high-end yacht tender or a sports cruiser to share with friends and family. The SR52 is powered with triple Volvo IPS 600 diesel engines, as standard, and reaches speeds up to 46 knots.

A well-equipped helm with ample space for twin GPS/plotter screens features three separate racing seats with three standing sport positions aft of the helm under the T-top. The walk-around deck offers a smart layout to easily walk from the raised foredeck to the cockpit seating and large aft sun lounger. Through the helm is an entryway to the forward cabin. The cabin includes a convertible double berth, along with full head and shower.

Sporting triple IPS 600 Volvo Penta diesel engines, the Blackbird boasts a top speed of 46 knots, a cruising speed of 40 knots, and delivers an exhilarating yet stable and dry ride.

A spacious cockpit features three separate racing seats at the helm and three standing sport seats under the shade of the bimini. The teak deck provides open walkaround access from the raised foredeck to the additional seating, sun lounger and hydraulic bathing ladder aft – perfect for race spectating, swimming or picnicking at anchorage. A head with shower is located below decks, along with a double berth. Truly, a superyacht among tenders.

We're proud to showcase Windy Boats at our Tampa Bay showroom.
