Customizable Boat: Sarasota

The Bluewater Sportfishing 2850 has a maximum rating of 700 HP. The 2850 delivers a stable ride, even in rough conditions. A large cockpit, high gunwales, and extensive standard features make the 2850 an ideal offshore fishing vessel.

Standard fishing features include a 46-gallon transom livewell, four 220-quart insulated fish boxes, one 1200-quart insulated fish/storage box, a bait prep area and sink, gunwale mounted rod holders, console tackle storage, lockable 7' in-deck rod storage, and gunwale storage for six rods. Optional fishing features include king style rod holders, spinning rod holders, deep drop outlets, a mini tower with optional rod and cup holders, Taco Grand Slam outriggers, a second console tackle box, and side mounted tackle storage.

Other standards include pull-up cleats, an insulated cooler with a drain, custom console cooler cushions, a walk-through transom, complete engine gauges, hydraulic steering, two bilge pumps with auto switches, a saltwater washdown system, and a self-draining cockpit.

Optional features include a 40" swim ladder, underwater lights, cockpit bolster pads, forward deck cushions, a hardtop, life jacket storage, Sunbrella, Stamoid, or Weblon T-top material, a pull-out cooler, a recessed electronics box, a shelf in the console storage box, extra cup holders, cockpit lights, a freshwater system, a portable toilet or electric head in the console, macerator pumps for the fish boxes, a Clarion stereo, an iCom VHF radio, and more.

We're proud to showcase Bluewater Sportfishing Boats at all our Florida showrooms, including:

Ft. Lauderdale, Palm Beach, Sarasota, and Tampa Bay.
