Summary/Description

For Sale

Customizable Boat: Sarasota

The Northstar Aix 3.4 is just over 11' in length and delivers a dry ride and is easy to plane due to its Delta Lift hull and tabs. Its many features offered as standard set it apart from the competition. Produced with vacuum infusion technologies, the Axis RIB is lightweight yet highly durable without compromising style and comfort.

Impressive standard features include a replaceable transom to accommodate short or long shaft engines, hydraulic steering, an ergonomic console, a glove box with a USB port and a main cutoff switch, a fuel system with an integrated fuel tank and a fuel gauge, an electrical switch panel, LED navigation lights, a socket-type all-around white light, a self-bailing deck, large storage areas, a bow cushion, a port-side console seat, a helm bench, and sturdy Hypalon tubes. Several hull, tube, and upholstery colors are available to choose from.

We're proud to showcase Northstar Boats at our Sarasota showroom.
