Summary/Description

For Sale

Customizable Boat: Sarasota

The Northstar Axis 5.3 is a fully loaded 17'5 inflatable tender with a maximum rating of 115 HP and recommendation of 90 HP. Included are many standard features, setting it apart from the competition. Its Delta-Lift hull design and Delta tabs aft are quick to plane and deliver a dry ride.

Its standard features include Hypalon tubes, an ergonomic console, an acrylic glove box with a USB charge port and main cutoff switch, a replaceable transom, a fuel system with a fuel tank, fuel gauge, and water separator, a switch panel, LED navigation lights, a socket-type all-around white light, an automatic bilge pump, a self-bailing deck, large storage areas, marine upholstery, a swim ladder, telescoping cleats, and lifting rings.

Seating includes a bow cushion, a forward console seat, and helm bench seat. Upholstery colors are available in Champagne, Sahara Yellow, Mandarin, and Shark Grey. Choose from White, Light Grey, Dark Grey, or Black Hypalon tubes, and a White, Grey, or Black fiberglass hull.

We're proud to showcase Northstar Boats at our Sarasota showroom.
