This Brabus Shadow 900 Black-Ops '1 of 37' is hand-built with focus on precision and finish. Fairing, painting and polishing the Limited-Edition version to the quality required is a highly labour-intensive, skillful and painstaking process, with no automation process, which can take up to six weeks to reach the required finish.

The helm features include a full Glass Bridge Information Display with two 12" screens with a BRABUS® User-Interface offering a selection of driver-orientated sport modes. The Intelligent Steering Module with integrated trim tab, bow thruster and audio controls will enable you to control the boat even smoother than ever before.

The cabin features cool grey and black BRABUS Fine Leather® and Dinamica with contrasting red accents and stitching, a pocket sprung 'queen size' sleeping accommodation has a sense of space and luxury more associated with a supremely comfortable lounge, toilet enclosure with separation wall with a lockable door. Toilet bowl is moved to SB side and mounted in transverse direction compared to the standard layout.

Optional aft deck packages are available including the Wet Bar package, the Aft Cabin package to provide an additional double berth, or a multi storage compartment. Other options include the extended navigation package with upgraded electronics, a carbon fiber package, a zero emissions power bank, a heater, air conditioning, an information media wall and a enclosed toilet compartment.

We're proud to showcase Brabus Marine at all our Florida showrooms, including:

Ft. Lauderdale, Palm Beach, Stuart, Sarasota, and Tampa Bay.
