Engine Model:	ME-60	Max Speed:	
Engine HP:	60	Cabins/Heads:	/
Beam:	6' 10"	Fuel Type:	Gas/Petrol
Max Draft:	"	Fuel:	
Water:			

Data Sheet

Category: Tender

Condition: New

Model Year: 2021

Beam: 6'10" (2.08m)

LOA: 16' 4" (4.98m)

Fuel Type: Gas/Petrol

Hull Material: Other

Dry Weight: 722 lbs

HIN/IMO: WHB80611K021

Engines/Generators

Engine 1

mercury

ME-60

Outboard

60HP

44.74KW

Fuel: Gas/Petrol

Summary/Description

The Whaly 500 R is a 16'4" highly durable tender, manufactured from high-grade, double-walled polyethylene. Included is an additional inner layer of foam adding to its strength and durability. Its hull is indestructible, almost unsinkable, and it experiences minimal tipping.

Available in Store: Sarasota

The Whaly 500 R is a 16'4" highly durable tender, manufactured from high-grade, double-walled polyethylene. Included is an additional inner layer of foam adding to its strength and durability. Its hull is indestructible, almost unsinkable, and it experiences minimal tipping. The Whaly is built similarly to RIBs, but it features maintenance-free tubes and performs exceptionally well in high seas and while making sharp turns. It can be beached on rocks or concrete without running the risk of puncture or damage. These qualities make it perfect for professional use.

This Whaly 500R is powered by a Mercury 60 HP outboard and has a capacity of 12 persons or 2866 lbs. Few features include an opening bench, a navigation arch, a console, and a side rails.

****Trailer not Included****

We're proud to showcase Whaly Boats at all our Florida showrooms, including:

Ft. Lauderdale, Palm Beach, Stuart, Sarasota, and Tampa Bay.
