

DON JUAN

72' (21.95m) 1983 Elliott Custom
Newport Beach California United States

OVERVIEW

\$1,250,000

Manufacturer:	<i>Elliott</i>		
Engines:	8 MAN	Hull Material:	Fiberglass
Engine Model:	D2866	Cruise Speed:	10 Knots
Engine HP:	500	Max Speed:	14 Knots
Beam:	20' 6"	Cabins/Heads:	3 /
Max Draft:	8' 0"	Fuel Type:	Diesel
Water:	400 G (1514 L)	Fuel:	3860 G (14611 L)

Data Sheet

Category: Motor Yachts

Condition: Used

Model Year: 1983

Refit Year: 1996

Beam: 20'6" (6.25m)

Max Draft: 8' (2.44m)

Min Draft: 1' (0.00m)

LOA: 72' (21.95m)

(0.00m)

Cabins: 3

Sleeps: 10

Single Berths: 2

Twin Berths: 2

Double Berths: 1

Crew Cabins: 1

Crew Sleeps: 2

Maximum Speed: 14 Knots

Cruise Speed: 10 Knots

Range NM: 4000

Fuel Type: Diesel

Hull Material: Fiberglass

Air Conditioning: Yes

Gross Tonnage: 109

Displacement: 170000 tonnes

Stabilizers: Standard

Fuel Tank: 3860 gal (14611 liters)

Fresh Water: 400 gal (1514 liters)

Holding Tank: 100 gal (378 liters)

MCA Certified: No

Builder: Elliott

Exterior Color: White

Stock #: 1774c461-fe38-

Summary/Description

-

Accommodations / Walkthrough

3D Tour Available.

DON JUAN is truly an amazing platform built on a Buck Smith hull and was completed by Elliott Boats in 1983 as the last Elliott to ever be built. She boasts a huge fishing cockpit complete with three bait tanks; full beam refrigerated fish hold and tackle center.

Entering the salon through a teak door, the enormous windows provide great visibility and natural light. To port is a large couch and dining table with seating for 10 adults. A small sofa and table are to starboard that transform to another bunk when needed. Moving forward is a sunk-in bar complete with an icemaker, refrigerator and soda gun. Across from the bar you will find the galley complete with large Sub-Zero refrigerator and beautifully appointed countertops with bar stools. The galley is equipped with a full array of appliances that would make any chef envious.

Walking up a teak stairwell gains access to the massive pilothouse. There is a beautifully crafted teak helm console housing all the engine gauges, controls and electronics. Moving aft there is a large settee with teak table and a huge double bunk behind the table. Side doors on either side of the pilothouse gain access to the bow. Moving up from the pilothouse is the flybridge complete with a helm, multiple sunbeds, access to the tower and the huge boat deck with a 16' Runabout tender.

The main accommodation area is located forward of the galley with the large master to port. The master stateroom has a large walkaround, double bed and an ensuite head and shower. Across from the master stateroom is a guest stateroom that boasts a double bunk with a single bunk adjacent. An ensuite head and shower is attached with beautiful tile countertops. Moving forward to the port is another guest stateroom with another large double bed and a shared head and shower. To the starboard is the crew stateroom with upper and lower single bunks and access to the shared head and shower. Moving aft there is a large utility room with custom freezer, laundry equipment and electrical panels. Access to the engine room is through a watertight door in the aft of the utility room.

Machinery

Main Engines:

- Engines: MAN D2866LE
- Engine Hours: 7798/8107
- Drive: Direct Drive

Generators and Electricity:

- Output: 120/240 VAC 60 Hertz
- Generators: (2) Northern Lights 32kW / 30kW
- Generator Hours: 12,516/ 5,271
- Shore Power: (2) 50 Amp 125/250 VAC inlet
- Batteries: (3) Group 27; (2) 8D

Air Conditioning:

- Type: CruiseAir Reverse Cycle (6)

Other Machinery:

- Watermaker: (2) FCI 1200 gpd
- Stabilizers: Naiad 252

- Steering System: Wagner/Hough Hydraulic
- Filtration: Dual Racor 1000 series
- Sewage System: Oberdorfer Black water pump
- Fresh Water System: (2) Sears water pressure pumps
- Helm Control: 5 Stations: Pilothouse, Flybridge, Bucket, Cockpit, Boat deck
- Pneumatic shifters
- Air compressor with large accumulator tank
- Drink Box Compressor
- Freezer compressor
- Fish Hold compressor
- Emergency bilge pumps off main engines

Engine and Mechanical Equipment

- MAN 2866LE engines rated at 500hp
- (2) Air compressor with accumulator tank
- (2) FCI 1200 gpd watermakers
- Naiad Stabilizers 252
- Glacier Compressor for utility room freezer
- Glacier Compressor for fish hold
- Glacier Compressor for cockpit drink box
- Mach 5 water pressure pump / Craftsman back up
- (2) Craftsman bait pumps
- (7) Bilge pumps
- Oberdorfer oil change pump
- Northern Lights 32kW (engine room)
- Northern Lights generator 30kW (cockpit sole)
- Dual Racor fuel filters
- Engine room fans
- Stereo with speakers
- (2) Water heaters 20 gallons each
- (6) CruiseAir reverse cycle
- Fuel transfer pump
