## Data Sheet

Category: Motor Yachts

Condition: Used

Model Year: 2008

Beam: 13'11" (4.24m)

Max Draft: 3' 5" (1.04m)

LOA: 39' (11.89m)

Cabins: 1

Heads: 2

Fuel Type: Diesel

Deadrise: 15°

Hull Material: Fiberglass

Dry Weight: 23000 lbs

Fuel Tank: 300 gal (1135.62 liters)

Fresh Water: 102 gal (386.11 liters)

Holding Tank: 38 gal (143.85 liters)

## Engines/Generators

### Engine 1

Volvo

Inboard

370HP

Fuel: Diesel

Hours: 604

### Engine 2

Volvo

Inboard

370HP

Fuel: Diesel

Hours: 604

## Summary/Description

This Sovran continues the Tiara Yachts tradition of quality and engineering that takes full advantage of Volvo IPS technology – including the new IPS joystick control – for superior handling, noise and fume reduction, and fuel efficiency.

This Sovran continues the Tiara Yachts tradition of quality and engineering that takes full advantage of Volvo IPS technology – including the new IPS joystick control – for superior handling, noise and fume reduction, and fuel efficiency. The full complement of IPS technology delivers 360-degree direction control at your fingertips. By utilizing the space advantages of the IPS drive in a single stateroom layout, Tiara Yachts designers have been able to open up the salon and increase the size of the head, including a full-frame door and stall shower. The extra space is also put to practical use in a step-down “theater” lounging area. The 3900 Sovran is a uniquely livable single-stateroom floor plan that’s ideal for cruising. Its living space is well thought out and fitted out with traditional Tiara Yachts attention to quality, seaworthiness and lasting value.

- Private master suite with sliding doors, large bed, tons of storage and lights
- Separate shower in the head with glass door and removable shower head.
- Fully stocked and ready galley.
- Large, wrap around leather seating upstairs in perfect condition. No imperfections found!
- Dingy with motor included!

***Turn Key and Ready to enjoy the summer!***

## Manufacturer Provided Description

This Sovran continues the Tiara Yachts tradition of quality and engineering that takes full advantage of Volvo IPS technology – including the new IPS joystick control – for superior handling, noise and fume reduction, and fuel efficiency. The full complement of IPS technology delivers 360-degree direction control at your fingertips. By utilizing the space advantages of the IPS drive in a single stateroom layout, Tiara Yachts designers have been able to open up the salon and increase the size of the head, including a full-frame door and stall shower. The extra space is also put to practical use in a step-down “theater” lounging area. The 3900 Sovran is a uniquely livable single-stateroom floor plan that’s ideal for cruising. Its living space is well thought out and fitted out with traditional Tiara Yachts attention to quality, seaworthiness and lasting value.
