With over 2,800 built, the Bertram 28 remains the bestselling Bertram ever. Designed along the lines of the classic Bertram 31, the 28 quickly established her reputation among serious anglers as a rugged and durable offshore fisherman with comfortable cabin accommodations. She rides on a solid fiberglass deep-V hull, and the 11-foot beam is wide for a 28-footer. Below deck, the cabin layout includes berths for four with a convertible dinette, an efficient galley, stand-up head, and plenty of storage.

Twin 230hp gas inboards (19-20 knots cruise)
