Summary/Description

Dionysos 35 will be the first hull of the Dionysos Series, which will be built in different sizes, ranging from 35 to 40 meters, inspired by the Greek god of wine, festivity, and pleasure, Dionysos, and reflects his spirit in the interior design and the concept of the yacht.

Dionysos 35 will be the first hull of the Dionysos Series, which will be built in different sizes, ranging from 35 to 40 meters, inspired by the Greek god of wine, festivity, and pleasure, Dionysos, and reflects his spirit in the interior design and the concept of the yacht.

She is already under construction and will be delivered in August 2024. Her steel hull and aluminum superstructure almost completed and built in compliance with the RINA rules for commercial certification and with a class notation of I + HULL • MACH Unrestricted Navigation. She has a gross tonnage of 328.

With a unique design feature, Dionysos 35 has two windows at the bow, which offer a panoramic view of the sea and the horizon. This is the first time that a yacht of this size has such a feature, which enhances the sense of space and light in the interior.

A spacious and luxurious accommodation layout awaits the owners and guests of Dionysos 35, with one large master cabin with a butler cabin next to it, one large office which is convertible to a VIP cabin, one VIP cabin, and three guest cabins. All cabins have ensuite bathrooms and entertainment systems. Dionysos 35 also features a large elevator that visits all floors, which is very rare for this size of motor yachts. The elevator provides easy access to the different areas of the yacht, including the large fly bridge, which is a party, exercise, and relaxing area. The fly bridge has a DJ booth, a bar, a large table, sun cushions, sport equipment, and more. It is the perfect place to enjoy the sun, the breeze, and the music. Dionysos 35 is a yacht that combines innovation, elegance, and fun. It is a yacht that offers a unique and unforgettable experience to her owners and guests.
