Fuel: Diesel

Engine 2

IVECO
Inboard
360HP
268.45KW
Fuel: Diesel

Generator 1

Onan
2KW

Summary/Description

Atalante was meticulously constructed in the year 2009, boasting a length of 24 meters and a beam of 6.50 meters. Our yacht features 4 cabins, comprising 2 Double Cabins and 2 Twin Cabins, each exuding a distinct blend of elegance and comfort. Each cabin is equipped with its own shower, WC facilities, and climate control, ensuring a sanctuary of relaxation throughout your journey. Powered by 2 x 235 Hp IVECO engines and complemented by 2 x 17.5 kVA ONAN generators, our vessel stands as a testament to both reliability and performance on the seas. Adequate provisions are made for all guests, including ample sunbathing mattresses, chairs, and service sets, promising an indulgent and carefree experience under the sun. With a cruising capability of 10 nautical miles, our vessel encapsulates the essence of comfort, luxury, and tranquility, offering an unparalleled blue voyage experience to all who step aboard.
