## Description

This 2005 Tiara Yachts 3800 Open is a remarkable vessel that seamlessly combines style, performance, and functionality. Crafted by the renowned Tiara Yachts, this 38-foot open sportfisherman has been a favorite among boating enthusiasts for its exceptional design and capabilities. "Sommertime" is an extremely well outfitted and maintained 38 Open. This is the Plan B layout that sleeps 6. She is powered by 480hp Cummins QSC8.3's that provide a mid 20kt cruise. The helm is lined with new Garmin electronics, stereo system, underwater lights, amongst many other features. This is easily the nicest 38 on the market.

Starting with its exterior, this 38 Open boasts a timeless and sleek profile. Its deep blue hull, premium gel coat finish, and stylish lines are not only aesthetically pleasing but also functional, contributing to an efficient and stable ride. The deck layout is thoughtfully designed, featuring spacious walkways, handrails for safety, and ample deck space for fishing, lounging, or entertaining guests.

One of the standout features of this Tiara Yachts 38 Open is its impressive cockpit. Designed with the angler in mind, it is equipped with a large livewell, bait prep center, and plenty of rod holders. Moving into the cabin, you'll find a comfortable and well-appointed living space in the Plan B layout. The interior is finished with high-quality materials, including rich wood cabinetry, plush seating, and premium upholstery. The main salon features a convertible dinette that can comfortably accommodate guests for dining or convert into a double berth for overnight stays.

Powering this Tiara Yachts 38 Open are twin Cummins diesel engines that deliver impressive performance and mid 20kt cruise. The boat is known for its smooth and efficient ride, even in challenging sea conditions. The helm station is well-equipped with modern navigation and communication systems, ensuring a safe and enjoyable cruising experience.

Overall, this Tiara Yachts 38 Open is a superb example of luxury and functionality in the world of sportfishing yachts. Its combination of elegant design, practical features, and exceptional performance make it a top choice for those seeking both adventure and comfort on the water.
