## Summary/Description

Everglades 350 LX is a versatile fishing boat with a roomy cuddy cabin that can easily accommodate overnight guests. Along with the 350 center console, this was the largest model in the Everglades fleet when she was introduced and she came loaded with cutting edge features. A U-shaped convertible lo

Everglades 350 LX is a versatile fishing boat with a roomy cuddy cabin that can easily accommodate overnight guests. Along with the 350 center console, this was the largest model in the Everglades fleet when she was introduced and she came loaded with cutting edge features. A U-shaped convertible lounge area forward of the console is ideally suited for dockside entertaining with an electric table, electric grill, and three portable coolers. Below deck, The 350's well-appointed cabin features two full berths—an offset berth forward and a mid-cabin berth aft—as well as a full-service Galley with microwave, 19" flat-screen TV, and a stand-up head with shower. The walnut cabin flooring is a nice touch, and the extended hardtop of the 350 LX comes standard with LED lighting, Rod storage and glass sun lights. Among several updates over the years, in 2010 the short windshield became optional because of visibility and glare issues. Fit and finish is excellent. Unsinkable, beautifully styled and solid, the 350 LX checks all the boxes when it comes to creature comforts and fishing amenities.

## Manufacturers Description

Everglades' 350LX is a versatile fishing boat with a spacious cuddy cabin that can easily accommodate overnight guests. A center lounge on deck is ideally suited for dockside entertaining with plush seating, a standard electric grill, standard electric table, a 105 quart cooler in the cockpit and 3 removable lunch coolers. The forward lounge converts to a berth for additional sleeping room.

Below deck, the well-appointed cabin features 2 full berths, a 19" flat-screen television, DVD player, refrigerator and microwave, and a stand-up head with shower supplied by a 6-gallon water heater. For fishing, there are 20 rod holders, 18-foot outriggers, lockable rod storage, and a tackle center with sink, cutting board, and fresh water faucet. Optional upgrades include a bow thruster, a side utility door that opens inboard and two different 2nd station options. Built to last with Everglades' unsinkable RAMCAP® process, the 350LX has all the safety features, style and comfort that Everglades is known for in a versatile cuddy cabin.
