Summary/Description

2016 Beneteau Grand Turismo 40 – Stk#40062

Designed by the talented hands of Nuvolari and Lenard, the Gran Turismo 40 recreates the sport cruiser concept. A perfectly proportioned interior and superior performance make her not only eye-catching, but a pleasure to drive.

The slender line of the Gran Turismo 40, underlined by her hardtop and exquisite side glazing, emphasizes her pronounced sporty character. Built with a central driving console and the latest generation of Air Step® hull, she is not only superior at the wheel but safe, even traveling at speeds of up to 38 knots. The generous and organized space in the cockpit can seat up to 11 people and the outdoor galley is placed aft.
