Summary/Description

ANJILIS is a 105' (32.00m) designed by Langan Design Associates and built by yacht builder Holland Jachtbouw in 2004 and underwent an extensive stem to stern refit in 2021. This vessel sleeps up to 7 guests in 3 staterooms.

Overview

ANJILIS is a motor yacht with a length of 32 meters built with systems and amenities found on much larger yachts. The yacht's builder, Holland Jachtbouw, known for building yachts of the highest quality, delivered the yacht originally named CASSIOPEIA in 2004. She hosts up to 7 guests in 3 staterooms with accommodation for 4 crewmembers in 2 cabins and a captain's quarters. Twin MTU V16 M90 engines provide a cruising speed of 16 knots and a top speed of 22 knots. She has a semi-displacement aluminum hull and superstructure, built to American Bureau of Shipping (ABS) regulations and meets all MCA standards. In 2021, ANJILIS went through an extensive stem to stern 15-month refit to keep her in like-new condition and add several upgrades including new zero-speed stabilizers and a rebuild of the engines to "zero-time" complete with a warranty.

Langan Design Associates penned both the exterior (Bill Langan) and the interior (Candace Langan). They would later also design CASSIOPEIA's successor CALLIOPE (now FABULOUS CHARACTER) for the same owner. Patrick Knowles Designs was engaged by the current owner for the interior refit in 2021. The tasteful, predominantly teak interior of this exclusive gentleman's yacht offers a perfectly balanced combination of traditional styles with modern details. The atmosphere throughout the boat invites conversation among comfortable armchairs, sofas and a large separate dining room rarely found on vessels of her size. The main salon and other rooms have large windows, which provide plenty of light and panoramic views. Knowles, the recipient of several design awards, said of the project, "Though I love designing modern yachts filled with glass and light, there is something undeniably sexy and mysterious in the look of traditional naval-inspired vessel design".

ANJILIS is a pedigreed superyacht in every way, cruising remote locations around the world. She is an example of what can be achieved when the technical capabilities of a motor yacht are combined with style and attention to detail. This modern classic is the perfect balance of comfort and seagoing capabilities.

Salon

The salon has large windows that let abundant natural light in showing the wood detailing and vibrant soft goods. To starboard and forward is the day head, a companionway along the windows which leads to a starboard exterior door, dining room, and the raised pilothouse amidships.

- Double sliding doors open to aft alfresco dining area
- Full sofa and love-seat complimented by 3 armchairs
- New carpet and upholstery (2021)

- 50" television: Direct TV, Apple TV
- Sonos 4 Zone audio system with Bose speakers
- Wet bar with custom-cut glass holders
- Subzero ice maker
- 12-Bottle wine refrigerator

Dining Room

The separate dining room allows guests to have an intimate dinner. There is easy access to storage for all china, stemware, silverware and settings. The dining table comfortably sits 8 people. Forward of the dining room is the galley.

- Separate formal dining room with comfortable seating for 8+
- New carpet and upholstery (2021)
- Teak cabinetry with custom-fit felted dish, silverware and glass holders and ample storage for table settings
- Amazing light provided by large windows
- Private stairway takes you to Guest Staterooms

Galley

The comprehensively equipped galley on the main deck is finished to a very high level, and provides an informal country kitchen-type atmosphere for the enjoyment of family or guests should they wish to relax with a snack. The windows in the galley provide great visibility for cooking and eating.

- In galley dining for 4 (booth-style settee) with access to Ships Computer and monitoring systems
- 1 x Miele convection oven
- 1 x Gaggenau 5-burner induction hob
- 1 x Miele dishwasher
- 1 x Sharp microwave
- 1 x Subzero refrigerator
- 1 x Subzero 2-drawer freezer
- 1 x Box freezer

Owner Stateroom

Just below the pilothouse down the stairs from the formal dining room leads you to a foyer for the owner and guest staterooms. Forward is the full beam Owner stateroom featuring a queen-sized bed, a desk, club chairs and storage port, and starboard.

- Full-width double Owner stateroom situated amidship on the lower deck
- Queen bed complimented by two armchairs
- Leather-topped desk
- Walk through wardrobe/changing room
- En-suite head
- New carpet and upholstery (2021)
- 30" television
- Safe

VIP Stateroom

Guest areas are on the lower level amidship with the master suite. To port on the accommodation, the level is the VIP suite with a double berth and a marble en suite bathroom.

- 1 x double berth
- En-suite head
- Sharp Aquos LCD television

Twin Stateroom

The starboard twin stateroom features a twin cabin with an additional Pullman with a dedicated en-suite bathroom.

- Two single berths
- Pullman berth
- En-suite head
- Sharp Aquos LCD televisions

Crew Quarters

Crew quarters and Captain's cabin - located forward on the lower level with access from the galley allowing for crew separation from Owners and guests.

- Double captain's cabin with safe
- Twin bunked crew cabin
- Single crew cabin
- Shared en-suite crew shower room

Pilothouse/Helm

The raised pilothouse provides a 180-degree view and bench seating for three. On the starboard side of the pilothouse, a sliding hatch leads to the flybridge deck.

- Full beam pilothouse centrally located with great visibility
- 3-Seat raised Setee
- Powered hatchway to flybridge
- 3 x Multi-displays
- New Furuno chart and instrument displays
- Dekassis ships monitoring system and PLC automation

Communication/ Navigation Equipment

- Nobletec Time Zero chart plotting
- Magnetic Compass
- Cassens - Plath gyro compass
- C Plath Automatic Pilot
- New Furuno chart and instrument displays
- 1 x Furuno color ARPA radar
- Thrane & Thrane Fleet 77 Sat Com
- 2 x GSM/GPRS Telular mobile system type SX5e

Flybridge

The flybridge, covered by a custom soft-top and arch, has three comfortable Stidd hydraulically adjustable pilot chairs in reach of the controls and wing station to starboard that provide a clear 360-degree view. A centrally located seating area has an L-shaped settee sits across from additional bench seating with an expanding table for entertaining 8+. A refrigerator and sink with a small counter and icemaker as well as a gas grill, located aft, are all hidden. In the aft portion of the flybridge there are two loungers. Further aft is the boat deck featuring a 750KG Davit to lift the 16' Inflatable.

- Expanding table for 8+
- BBQ Grill (gas)
- Hydromar boat crane with a safe working load of 750kg situated aft on the sun deck
- U-line CO29F fridge/icemaker

Aft Deck

Optionally enclosed with Isinglass, the aft deck is accessed by a port and starboard stairwell lead to the swim platform for tender boarding and water activities. Double sliding Doors open into the main salon. The alfresco dining area with expanding table for 8+ is surrounded by a full-beam settee with upper deck access via a stairway to starboard.

- Expanding table for 8+
- All new canvas and Isinglass
- All new cushions

Swim Platform

- Teak-covered swim platform
- 2 x in-hull Jet ski/storage bays

Deck Equipment

- Anchors – 2 x 141kg pool-type bow anchors
- Chains – 4 shackles (360.00ft/109.72m) both port & stbd
- Stalaart anchor windlass
- Aft Warping Capstans

- 2 x Stalaart warping capstans
- Portable carbon fiber crane with a safe working load of 150kg stored on the foredeck
- Hydromar teak-covered Mediterranean passerelle approximately 14.76ft (4.5m) in length

Engine Room and Mechanical Equipment

The large engine room provides great access to all mechanical installations for maintenance and serviceability.

- 2 x MTU 1,800 Hp M90 16V (Hours: 4,262, Since rebuild 250hrs)
- All systems examined, renewed or upgraded
- New generators in 2021: 2 x Kohler
- Dekassis ships monitoring system / PLC automation
- Full rebuild of the engines to “zero-time” complete with warranty
- New Naiad zero-speed stabilizers (hydraulic)
- Asea Power converters/transformer for European power and seamless switching
- Condaria PCWM 60004 AC System 240.000 BTU Cooling capacity (installed in 2017)
- ACET International fire/bilge pump
- Hatz diesel 1B40T-2 emergency bilge and fire pump
- Sterling fire and emergency pump
- Steines engine driven emergency and bilge pump
- 2 x B+E Techniekhof water boilers
- Hamann Mini L-Frame treatment system
- 2 x Matrix watermakers producing 200 litres (52.8USgallons) per hour

Electrical Equipment

- 2 x Kohler Model 45FOZDJ generators (new in 2021)
- 2 x 36 KVA Asea Power converters
- Isolation transformer for European power
- 3 x Mastervolt battery chargers (engines, service, backup)

Safety Equipment

- Novek 1230 fixed firefighting system
- 1 x Set of breathing apparatus
- 17 x Portable – foam/powder fire extinguishers
- 2 x 12-person inflatable life rafts in glass fiber valises
- 1 x 6-person Zodiac life raft
- 12 x Mullion Neptune 150 inflatable life jackets
- 1 x SART
- 1 x EPIRB
- 2 x Smokes/flames
- 4 x Life rings
- Hatz diesel 1B40T-2 emergency bilge and fire pump
- Sterling fire and emergency pump

Tender

- 15' (4.6m) Nautica 15ft tender with a 90hp outboard motor

Upgrades

- Refit – completed in Oct 2021
- Award-winning Patrick Knowles Interior
- 250 hours on mains engine since full rebuild
- New Naiad zero-speed stabilizers
- New A/C power converter
- New generators (2021)
- New exterior paint top to bottom
- All systems examined, renewed or upgraded
- All new canvas, Isinglass, and exterior cushions
