400HP
Fuel: Gas/Petrol
Year: 2023

Engine 2

Mercury
Verado V10
400HP
Fuel: Gas/Petrol
Year: 2023

Summary/Description

At just over 40 feet, the Tender 11 is Nimbus' vision of the perfect day boat. She perfects easy living on the water, providing an innovative social environment for friends and family to gather and relax. This means a large lounge area with adjustable seating and dining configurations, multiple sun beds, outdoor galley for entertaining, gyro stabilization, vast storage for gear and water toys, and an impressive amount of deck space which allows for an overwhelming freedom of movement. With a wide range of engine options and thanks to a stepped hull design, you can cruise comfortably with speeds anywhere between 20 and 40 knots.

At just over 40 feet, the Tender 11 is Nimbus' vision of the perfect day boat. She perfects easy living on the water, providing an innovative social environment for friends and family to gather and relax. This means a large lounge area with adjustable seating and dining configurations, multiple sun beds, outdoor galley for entertaining, gyro stabilization, vast storage for gear and water toys, and an impressive amount of deck space which allows for an overwhelming freedom of movement.
