The MY6 captures the essence of Fountaine Pajot Motor Yachts promise: to widen your horizons.

With a length of 15 meters, the Motor Yacht MY6 has two steering positions in the saloon or on the flybridge.

With its dual engines of up to 2 x 353 Kw and 2 x 480 HP, its power output promises you the emotions of dynamic sailing with the benefit of an extremely stable structure, even at high speeds. Equipped with the Volvo 500 or 650 IPS system, the MY6 makes maneuvering easier with the ability to move laterally with a simple push of the joystick. You keep control of its power in all circumstances.
