Summary/Description

SEAS & SLUMBER I is a very clean 1998 Cruisers 3650 Aft Cabin Motor Yacht that has been well cared for by the current and former owner. She is equipped with Twin Mercruiser 7.4L MPI engines that are direct drive with approximately 1150 hours on them. Fresh water cooling and an extremely clean engine compartment.

The 3650 Cruisers Yacht is a contemporary cruiser with surprisingly spacious interior. Queen berths in both staterooms with hanging locker storage. 2 heads and a tub in the aft head adjacent to the owner's suite and a full dinette and galley. This is a completely open layout with plenty of natural lighting and plenty of headroom.

The flybridge has a large U-shaped lounge across from helm, seating 6 adults comfortably. Despite the spacious interior the side decks are still wide enough for secure access to the bow and molded steps (instead of a ladder), making boarding from the stern an easy matter.

Aft-deck is a great place to extend your entertaining.
