Summary/Description

WILL ACCEPT CLEAN TRADES

Every once in a while you find boat listed as turn key, and it actually is.....Well you've found one, meet Solamere, this beautiful trawler has just undergone full maintenance at the direction of a professional captain as well as accredited surveyor. The limited number of issues found have been addressed and the boat only has 9 hours since maintenance was performed. All maintenance records available for inspection. Top to bottom compound and waxing June 2023, as well as all new caulking in the flybridge.

And to top it all off the owner just had a Dockmate system installed so you have full control by remote!

There is way too much to talk about when it comes to Solamere... She is a beauty!
