Dry Weight: 1800 lbs

Fuel Tank: 73 gal (276.33 liters)

Fresh Water: 132 gal (499.67 liters)

HIN/IMO: NEL43007F121

Stock #: B93407

## Engines/Generators

### Engine 1

Volvo

50

Inboard

50HP

37.29KW

Fuel: Diesel

Hours: 740

Year: 2021

## Summary/Description

Presenting the NEEL 43, situated in the vibrant waters of Miami, Florida. This esteemed vessel boasts a singular ownership history, meticulously maintained to ensure peak performance and aesthetics.

Presenting the NEEL 43, situated in the vibrant waters of Miami, Florida. This esteemed vessel boasts a singular ownership history, meticulously maintained to ensure peak performance and aesthetics.

Notably, the helm station exudes ergonomic excellence, featuring a triple seat accessible seamlessly from both the cockpit and the deck. This design element enhances functionality and underscores the vessel's commitment to ergonomic superiority.

Step inside to discover a new standard of interior excellence. The strategic distribution of volumes, fluidity of movement, and abundant natural luminosity combine harmoniously to create an unparalleled living space. With two spacious double cabins and a flexible saloon configuration, accommodating up to 8 guests is effortlessly achievable.

## Upgrades

The Volvo engine was serviced at approximately 690 hours in December 2023.

The bottom was painted with antifouling paint in April 2023.

List of upgrades (majority of upgrades were made in April 2023 except for noted dates)

1. Code 0 with a Facnor furling system and a sailbag (includes two additional winches) 65 sq m
2. Solar (with charger and additional batteries). Total batteries: 6xAGM 165AH total of 990 AH
3. Additional Raymarine Axiom 9" chartplotter (total 2 chartplotters)
4. Raymarine Quantum 2 radar (fully networked on raynet network)
5. Upgraded watermaker to 40 GPH (Seawater Pro) (December 2023)
6. Networked engine temperature, RPMs displayed on charplotter (August 2023)
7. Added 3rd reef to the main
8. Additional anchor
9. Additional shore charger for 110V (original was only for 240V. So now it supports 240 and 120)
10. Many elements of the premium package or add-ons already included in the original 2021 model:
11. 12V Bow Thruster with a dedicated battery
12. Fusion Audio
13. Helm Bimini
14. Remote windlass
15. Electric dinghy lift system with remote control
16. Electric winch

## "Neel 43" trimaran, highlighting its design, performance, and amenities.

Design and Performance: The trimaran design offers stability with a minimal heel, similar to a monohull, but with the added space and comfort of multiple hulls. The main center hull houses accommodations and storage, while the two outer hulls provide stability and prevent excessive heeling. The trimaran sails smoothly through waves and points well into the wind.

#### Amenities and Equipment:

- Aft deck designed for a tender, with a 3.4-meter tender included.
- Helm station equipped with lounge seating, navigation instruments, chart plotter, autopilot, and electric winches.
- Powered by a 50 horsepower sail drive engine with a bow thruster for maneuverability.
- Ample fuel and water capacity, a generator, and solar panels for power.
- Wide side decks for easy movement.
- Forward deck with trampolines and roller furling Genoa.
- Anchor winch and chain locker accessible from the foredeck.
- Spacious cockpit with seating, BBQ, dining area, and access to the salon.

The salon features a dining area, galley, head, and multiple cabins with ample storage and natural light.

- Versatile cabin layout, suitable for guests or crew.

**Comfort and Convenience:** The vessel offers comfortable seating areas, outdoor dining space, and well-lit interiors with ample storage options. The design allows for easy handling and maneuvering, making it suitable for both short trips and extended cruising.

Overall, the Neel 43 trimaran is a well-equipped and versatile vessel, combining performance with comfort for enjoyable cruising experiences.
