Crew Accommodations :2 crew in 1 cabin

COMMENTS AND NOTEWORTHY FEATURES AT A GLANCE

- Stable and efficient with optional added fuel tank
- 4 stateroom layout with oversized master
- Optimised for offshore marlin fishing
- Located in paradise

OVERVIEW

The Lagoon 630, YEMANJA, is a modern, luxurious power catamaran. It comes with three double cabins, two superposed beds, and a crew cabin in the forepeak. The interior is beautifully crafted with carpentry in light Alpi oak and floors in Milano, while seating is in a light cream nubuck leather. The cushioned cabins and salon are carpeted, and the salon has electrical-folded curtains.

The large salon is on the port side in the form of an "L" shape, with two foldable and telescopic tables. A main sliding entrance door in aluminum with a window provides access, as well as lockers under the bench and high cabinets. There are four lockers under the floor, and a TV furniture with telescopic system. The vessel has panoramic windows with four opening hatches, as well as a navigation station forward with a chair that is adjustable and rotative. On the port side is a lounge area with a coffee table.

ACCOMMODATIONS

The Master cabin onboard is in the starboard hull aft, providing direct access onto the aft transom. The spacious master cabin is ready to store all of your belongings with several spacious drawers and storage compartments located throughout. A large hanging cupboard and hair dressing table add to the comfort and convenience of this cabin, while a modern bathroom with a separate shower and sandblasted glass offer the perfect end to a day of traveling. For even more privacy, there is a separate toilet for added convenience.

FRASER

There are two VIP cabins; one is forward in the starboard hull and the other forward in the port hull. Each includes a double bed and have ample drawers and storage, as well as two hanging cupboards and a hair dressing table. There is a head forward with a separate shower and toilet.

The twin guest cabin located in the center of the port hull. It features two single beds that are stacked on top of each other to ensure ample space, a desk area, and a private head with a toilet and shower.

Aft of the twin cabin is the galley, with direct access to the cockpit.

The crew accommodations are in the fore port peak and includes a single berth, shower, toilet and washhand.

Paint: Covering dark grey on hulls

CAPACITIES

Displacement (Max): 34.15 MT/76,515Lbs

Fuel – 4 Tanks: 4,900 Liters/1,294 US Gallons

Fresh Water – 4 Tanks: 960 Liters/253 US Gallons

Water Makers: 280 Liters per hour/74 US Gallons per hour

Black Water – 1 Tank: 73 Liters /19 US Gallons

MAIN MACHINERY

FRASER

Main Engines: 2 x Volvo Penta D4 300HP 6-cyl in-line diesel

Engine Hours (July 2023): Port: 4,037/Stbd.: 4,025

Propulsion Type: Twin Screw

Gear Box: Hydraulic

Propellers: 2 x 4-blade fixed propellers

Engine Ventilation: Fan extractor in each engine room

GENERATORS & ELECTRICITY

Output/Electricity: 12V 220V 50hz split in 3 Domestic / Power / Aircon

Circuit 24V DC with negatif at the ground

Generators: Onan 32kW (new)

Generator Hours (July 2023): 527

Shore Power: 1 shore power outlet 230V 50A

Shore Power Transformer: 2 inverters 5000W

1 inverter 24V/220V 2500W

1 inverter 24V/220V 3000W

Batteries: 8 gel batteries Victron for services (840A 24V)

2 starting batteries for engines 48A 12V

1 battery 48A 12V for generator

2 alternators for engines 24V 110A connected to batteries

2 battery chargers 220V 12V 100A

AUXILIARY MACHINERY

Sterring system: Hydraulic

Steering Gear: Engines throttles at both helms + chart table

Bow Thruster: Bow thruster on stbd 24V 2000kg with 2 joysticks

Under Water Lights: 4 x Blue

Fuel & Oil System: 4 fuel tanks long range (4900L) with transfer pump

FRASER

Fuel Filter: Double fuel filter with alarm; Prefilter and primary filter for fuel

Firefighting & Bilge System: 1 electrical bilge pump per hull

; 3 manual bilge pumps in cockpit; 1 electrical bilge pump per engine room; Deck wash pump sea/fresh water forward

Fresh Water System: 4 freshwater tanks (960L); Fresh water inlet on port side; Fresh water purifier in the galley.

Fresh Water Makers: Sea Recovery Aquamatic 220V 280LPH

Fresh Water Pressure: 2 pumps under pressure

Hot Water Boilers: 2 water heaters

Black & Grey Water System: 1 black water holding tank 73L per toilet

WC's (toilets/bidets): 1 electrical fresh water Tecma toilet per head

Sanitary Vacuum System:

Grey Water Discharge Pumps: Grey water draining for showers & washhands with pump

Grey water for sinks evacuated directly at sea

AC & Ventilation System:

Air Conditioning: Cruiseair X 8 forced air reversible 96000 BTU 220V

Antifouling System: Yes, Last applied 2022

NAVIGATION & COMMUNICATION SYSTEMS

NAVIGATION SYSTEMS

Navigation Bridge

Monitors: SIMRAD

Radar: SIMRAD – at chart table and flybridge

Chart Plotter: SIMRAD

Magnetic Compass: Yes

Auto Pilot: SIMRAD
